

People Advocating Recovery is a statewide group of concerned individuals working to eliminate barriers to recovery from addiction.

Young People in Recovery is a national non-profit organization that advocates for better access to services like education, housing, and employment for those in or seeking recovery.

**Your Support and Services are needed!**

# National Recovery Month

Prevention Works • Treatment is Effective • People Recover

**september 2018**

We will be celebrating this year's RECOVERY MONTH with a Rally for Recovery!

Saturday, September 8, 2018

10 AM- 3 PM

Located at the Metro Pavilion/ 144 North Sixth Street

Louisville, KY 40202

## **What is the Rally for Recovery? Would your organization like to host a table at the event?**

The Rally for Recovery is an annual event organized by people in long term recovery from a substance use disorder, their families, and friends. It is primarily a community building effort; we seek to strengthen the bonds between people in recovery, their families and friends and our community.

We are also engaged in building an attractive culture of recovery in Kentucky, with the belief that everyone has a right to, and is capable of, recovery from addiction to drugs and/or alcohol.

Not too many years ago we started our first rally in Frankfort and attracted only a hand full of people. Last year that number had grown to over 1,500 people along with families and friends.

Our goals are to reduce the negative perceptions associated with substance use disorders/recovery. It has been our experience, based on our own recoveries, that this road is filled with obstacles that hinder reintegration into society. We feel it is important that people who have chosen the recovery path be able to obtain housing, employment, and other necessities without prejudice. Which is why we are contacting you today, we would like to invite your organization to host a table at the RALLY FOR RECOVERY! There is a fee to register as a table host, this will pay for 2 chairs and a table for the day of the event. If you would like to make other contributions, please see our sponsorship level brochure.

PAR and YPR are working to broaden its base of support by reaching out to the business community. We offer several contribution levels. Sponsoring our rally puts your company name in front of people who are likely to patronize your business. It also bolsters your business's reputation, sending a clear message that you support the community building efforts of those who seek not to use alcohol and other drugs.

Your generous support will make sure we can provide food, fun, refreshments, and entertainment for our entire recovery community and our new friends who will have the opportunity to see that recovery is possible and that over 23 million Americans are in recovery today enjoying healthy lives and giving back to their communities.

We are asking if you would like to host a table at the RALLY FOR RECOVERY you register by contacting Mike Barry and pay a registration fee of \$25.00 per table. You can make your check(s) payable to People Advocating Recovery.

Please feel free to contact us if you have any questions and we look forward to your support.
