Celebrating People in Recovery – Advocating for Recovery

People in recovery from substance use disorders, their families, friends, addiction treatment professionals, elected officials and other allies will be coming together for the Kentucky Rally for Recovery on September 29, 2019, from 1 PM- 4 PM to celebrate recovery as part of National Recovery Month.

We would like to invite you to join us as a sponsor for our annual event. Join us in celebrating the reality of recovery and communicating the need for services and support to more friends and families - helping them get the help they need to recover and give back to our community.

We have several levels of sponsorship for the Rally for Recovery!

Please consider becoming one of our partners.
